In conjunction with
CIGRE Administrative Council Meeting

CALL FOR PAPERS

TOWARDS AN INTEGRATED & INTERCONNECTED TRANSMISSION POWER GRID: CHALLENGES & OPPORTUNITIES

Date : 16th to 21st August 2015

**Venue : The Magellan Sutera Resort, Kota Kinabalu,
Sabah, MALAYSIA.**

Organised by:

Malaysian National Committee of CIGRE

Supported by:

**Ministry of Energy, Green Technology & Water, Malaysia
Tenaga Nasional Berhad**

Introduction

AORC-CIGRE Technical Meeting is a forum for sharing experience and knowledge regarding pertinent technical issues, particularly those affecting power systems in the Asia-Oceania region. This year the chosen theme "**Towards An Integrated & Interconnected Transmission Power Grid: Challenges & Opportunities**" is to gather key information for striking optimal synergy between the demand-driven network expansion and sustainable modernization.

Venue

The Magellan Sutera in Kota Kinabalu, Sabah, East Malaysia is chosen as the venue for its contemporary facilities amidst serene resort ambience. This beautiful resort, located just 10 minutes from the airport and 5 minutes to the City Centre by car, has a yacht marina and a 27-hole internationally acclaimed golf course within its premise.

Sub-Topics

The topics to be deliberated and discussed are inclusive but not limited to the following topics:

- ❑ Issues & Challenges Of Cross Border Interconnection Of Power Grids;
- ❑ Virtual Efficiency Power Plant Initiative As A Game Changer In The Electricity Supply Industry;
- ❑ Smart Grid & Its Influence on Transmission Network, Including the Integration Of Renewable Energy Sources & Disperse Generation;
- ❑ Evolution of Smart Grid & Its Impact on Network Expansion;
- ❑ Transmission Grid, Including Its Interconnection Technologies (DC Grids, HVDC, FACTS Devices etc).

Participants

This forum is opened to everyone involved in the power industry, e.g. power utilities, regulators, manufacturers, independent power producers, contractors, consultants, academicians etc.

Datelines

- ❑ Dateline for synopses submission = **31st May 2015**
- ❑ Date line for Early Bird registration = **30th June 2015**
- ❑ Dateline for presentation submission = **31st July 2015**

Itinerary

The Technical Meeting is scheduled to be held for 4 days, plus one day technical site visit to local high voltage installations. CIGRE Administrative Council will convene a meeting during this event. In addition AORC-CIGRE Council and several regional Panel Working Group meetings are also scheduled to be organised during the period.

Registration

In order to register for this event, please kindly fill up the form and email it back to us by the stipulated dateline. Registration is only complete once payment is fully made. Discounts are offered for Early Bird registration. Please kindly refer to the attached forms for event registration and hotel booking.

Submission of Synopses & Papers

Participants who intend to present papers are invited to submit their abstract in English language via email to **mnc@cigre.org.my** with a maximum of 500 words, indicating name, title, company affiliation, email address and full address of the author/s.

Successful papers selected to be presented at the Technical Meeting will be notified by **15th June 2015** and the presenters are expected to submit only presentation files (in Microsoft Powerpoint 2003 format) by the given dateline.

MALAYSIA

Malaysia is a federal constitutional monarchy located at the heart of Southeast Asia with a land mass of about 329,847 square kilometres (127,350 sq mi) separated by the South China Sea into two similarly sized regions, Peninsular Malaysia and East Malaysia. Peninsular Malaysia shares a land and maritime border with Thailand and maritime borders with Singapore, Vietnam, and Indonesia. East Malaysia shares land and maritime borders with Brunei and Indonesia and a maritime border with the Philippines. The total population is approximately 30 million people with a unique multi-ethnic, multicultural, and multilingual society living in harmony. Islam is the official religion and Bahasa Malaysia is the national language of the country. English, is the second language and is mostly used for business purposes.

Sabah - Land Below The Wind

Sabah is the second largest state in Malaysia after Sarawak, which shares its borders on Sabah's south west region. Along with Sarawak, it also shares borders with East Kalimantan of Indonesia in the south. Its population is made up 33 indigenous groups that communicate in over 50 languages and 80 ethnic dialects. The state's geographical structure is a mixture of mountainous regions, beaches and tropical rain forests. One of the most prominent ranges located at the centre of Sabah heartland is the Crocker Range, which houses several mountains of various heights from about 1,000 metres to 4,000 metres. The highest peak of this range at 4,095 metres (13,435 ft) above sea level is known as Mount Kinabalu; one of the highest mountain in South East Asia.
